Dust: Clean good liquoring types met with a better demand and ruled firm to little dearer than last. Others were firm. Cleaner CD's were a strong feature and appreciated in value.

Comment: Well made good liquoring descriptions offered were well competed for and often gained a little in value. Mediums met with a slightly more demand at generally firm rates. There was fair interest of the lower end of the market. Re-print and the plainer types continued to be difficult of sale.
