Offering:
(In pkgs)

Leaf:
73,568 (44,314)
56 (Season: 2018)

Dust:
12,207 (7,212)
10 (Season: 2018)

(Last year in brackets)

Quality: Similar to last.

Demand: Improved demand at generally firm to little dearer rates following quality.

Buyers: Blenders as well as the Loose Tea Traders lent active support.

LEAF-CTC:

Brokens: Well made good liquoring types met with a fairly strong market and ruled firm to occasionally a little dearer following competition. Mediums met with a better demand than last and sold at around last levels. Plain types were easier whilst poorer types were difficult of sale.

Fannings: Best and the below best types met with a fairly strong demand and sold at rates fully firm on last. Occasional lines tended dearer. Mediums were about steady whilst rests were easier and suffered fair withdrawals.

Dust: Well made good liquoring descriptions sold well at firm to dearer rates of Tk 3/5 and occasionally a little more. Others were easier with some withdrawals. Cleaner CD's were a strong feature.

Comment: There was apparently better demand this week leading to a higher percentage of sale. All sections of the market operated actively. Well made good liquoring varieties were much sought after whilst Mediums witnessed slightly better demand than of the recent weeks.
