186 (Season: 2018)

**Dust:**  
10,197 (7,955)

**(Last year in brackets)**

**Quality:** About maintained.

**Demand:** Good demand at mostly around last levels.

**Buyers:** Blenders continued to lend active support whilst Loose Tea Traders lifted a fair weight.

**LEAF-CTC:**

**Brokens:** Select few best types offered sold well at firm to occasionally slightly dearer rates. Others were about firm. Plainer types met with some interest at around last levels. Poorer types continued to prove difficult of sale.

**Fannings:** Likewise, a small weight of the best types offered were readily absorbed at mostly firm to occasionally slightly dearer rates. Rests were steady to slightly easier following quality. Poorer types were generally neglected.

**Dust:** Good demand at firm to dearer rates following quality. CD's were a strong feature especially the cleaner sorts.

**Comment:** Well made good liquoring descriptions continued to sell well at firm to slightly dearer rates. Medium and the plainer sorts met with a fair demand. Poorer types were mostly neglected. CD's were a strong market. All sections of the market operated actively.
