

**SALE NO. 40 – HELD ON FEBRUARY 11, 2020.**

**Offering:**  
(In pkgs)

**Leaf:**  
50,281 (31,738)

**Dust:**  
8,233 (7,211)  
11 (Season 2018)

**(Last year in brackets)**

**Quality:** Plain and end season type.

**Demand:** Limited demand. There was however, some interest at the lower end of the market.

**Buyers:** Blenders were selective. Loose Tea Traders lent only a fair support.

**LEAF-CTC:**

**Brokens:** A small weight of the better types offered sold well at generally little easier rates. Rest met with only a limited demand at easier rates with heavy withdrawals. Cheaper sorts met with a fair demand mostly selling between Tk 60/105 per kg.

**Fannings:** A handful of the good types available sold well at little easier rates. All others met with selective interest and suffered large withdrawals. There was some interest for the cheaper sorts at rates between Tk. 70/110 per kg.

**Dust:** Select few better sorts sold well at little easier rates whilst others met with less demand at drops of Tk 10/15 with fairly large withdrawals.

**Comment:** Bulk of the offerings comprised plain and poorer teas. However, a very small weight of the better types offered were well absorbed at little easier rates than last. There was fair interest at the lower end of the market mainly from the Loose Tea Traders and occasionally from the Exporters to Pakistan.
