50 (Season: 2019/20)

Dust:

10,680 (11,759)
18 (Season: 2019/20)

(Last year in brackets)

Quality: Maintained.

Demand: Fair demand at generally easier rates.

Buyers: Blenders lent fair support whilst Loose Tea Traders continued to operate rather selectively.

LEAF-CTC:

Brokens: Well made good liquoring types were readily absorbed at around last levels. Below best and the Mediums met with a fair demand at rates Tk. 3/5 easier than last. Plainer descriptions met with selective demand at further discounted rates. Withdrawals were substantial in this category.

Fannings: Best and below best types met with fairly good demand but eased by Tk. 3/4 from last. Mediums met with only a fair interest at levels Tk 2/5 below last following quality. Plainer sorts were difficult of sale.

Dust: Clean good liquoring types sold well at around previous levels. CD's met with fairly good demand and sold at firm to little easier rates following quality. Others met with selective demand with some withdrawals.

Comment: Well made good liquoring descriptions continued to sell well but at levels generally little lower than last. Rests were easier and withdrawals continue to be quite substantial.
