Quality: Similar to last.

Demand: Fairly strong demand.

Buyers: Blenders operated in strength whilst Loose Tea Traders lent fairly good support.

LEAF-CTC:

Brokens: Well made bright liquoring types met with strong demand and sold at rates firm on last. Select few lines inclined. Below best and mediums met with fairly good demand and sold at around last levels. Plain sorts were firm to little easier with some withdrawals.

Fannings: Clean good liquoring descriptions were a fairly strong market and sold at firm to little dearer rates. Mediums were steady. Plain types were firm to occasionally little easier and there were some withdrawals.

Dust: Good general demand at around last levels. CD's met with a little less demand and suffered some withdrawals.

Comment: Offerings witnessed a fairly strong demand, especially for the well made useful liquoring types. Blenders absorbed a larger weight whilst Loose Tea Traders lent fairly good support. Prices for most descriptions generally held firm on last. CD's were an easier market and suffered some withdrawals, especially the lesser type.
