**Quality:** Maintained.

**Demand:** Good general demand.

**Buyers:** Blenders were the major contenders. Loose Tea Traders lent only a limited support.

**LEAF-CTC:**

**Brokens:** Well made good liquoring types met with a fairly strong demand and sold at firm to occasionally little dearer rates. Mediums were generally firm. Plain types met with a good demand at around last levels.

**Fannings:** Best types were a fairly strong market and sold at firm to irregularly slightly dearer rates following quality. Others mostly held on to last rates. Plain types were a fairly good market and generally sold at firm levels.

**Dust:** Met with a good demand. Cleaner types were firm to often little easier whilst others were about steady. Cleaner CD's sold well at firm rates whilst fibrous types were little easier.

**Comment:** A fairly strong demand prevailed for the larger weight offered this week. Well made good liquoring types were the brightest feature of the sale. Demand however, slackened in the later part of the Sale resulting in a few withdrawals.
