**Dust:** Clean good liquoring sorts were a good market and generally sold at around last levels. Occasional lines tended slightly dearer. Mediums were steady. Plainer types were easier and suffered fair withdrawals. CD's were easier except for the very best types which were firm to little dearer.

**Comment:** Blenders were apparently more active this week and particularly supported the well made good liquoring types on offer. Others witnessed a little improved demand. Plainer types suffered fair withdrawals.
