**Dust:** Clean, good liquoring varieties sold readily at around last levels. Medium and the plainer types were little easier. Cleaner CD's were a fairly good market selling at firm to little easier rates. Others were generally neglected and only a few lines sold at discounted rate.

**Comment:** There was sustained demand for the larger weight of teas offered this week. Blenders were the major contenders with fair support from the Loose Tea Traders. Clean good liquoring sorts were much sought after whilst others met with a good demand. Plainer types sold well whilst poorer types were mostly withdrawn without any bids.
