Offering: (In pkgs) **Leaf:** 58,780 (63,891) **Dust:** 11,906 (12,126)
10 (Season: 2021)

(Last year in brackets)

Quality: Fairly useful.

Demand: Strong demand for well made good liquoring types. Rest met with a fairly good demand.

Buyers: Blenders operated in strength whilst Loose Tea Traders were active.

LEAF-CTC:

Brokens: Clean good liquoring types met with a strong demand and sold at firm to dearer rates of Tk 5/7 and occasionally more with competition. Mediums were firm to dearer following quality. Plainer and the poorer types met with a weaker market and mostly remained unsold.

Fannings: Best and below best types were a strong market and ruled firm to dearer by Tk. 5/10. Mediums sold well and often gained in value. Plainer types were easier with some withdrawals.

Bought-Leaf Teas: Selective demand at easier rates with large withdrawals.

Dust: Clean well made descriptions were a fairly strong market and sold at firm to dearer rates. Others were generally firm. Plainer types were easier. Cleaner CD's were a strong market.

Comment: Clean good liquoring descriptions continued to be keenly sought after by all sections of the market resulting in further strengthening of price. Others were a fairly good market. Brown poorer types were generally neglected. Dusts were a good market particularly, the cleaner type.
