

SALE NO. 33 – HELD ON DECEMBER 19, 2022.

Offering: (In pkgs) **Leaf:** 58,014 (56,646) **Dust:** 12,078 (11,802)

(Last year in brackets)

Quality: Barely maintained.

Demand: Good demand at firm to generally easier rates following quality.

Buyers: Blenders were the mainstay of the sale. Loose Tea Traders lent fair support.

LEAF-CTC:

Brokens: Well made good liquoring types sold well at generally firm rates. Below best types were about steady. Medium and the plainer types were easier with fair withdrawals.

Fannings: Best types were a fairly strong market and mostly sold at firm rates. Select few lines were a little dearer following competition. Below best types mostly held on to last rates. Medium and the plainer types eased and a fair weight remained unsold.

Bought-Leaf Teas: Met with selective demand resulting in fairly large withdrawals.

Dust: Clean good liquoring sorts sold readily at about firm rates. Others met with a fair demand and generally sold at easier rates of around Tk. 5/= . Plain and the poorer types were neglected.

Comment: There was sustained demand for the better types on offer which generally sold at firm rates. Plain liquoring types met with less demand and suffered fair withdrawals. Dusts were a good market especially the cleaner types. CD's met with an improved demand.
