**Dust:** A small weight of the clean good liquoring varieties offered sold well at around last levels. Others were easier by Tk. 5/8 and suffered fair withdrawals. Plain and the poorer types were neglected.

**Comment:** Quality on offer was rather plain and there were a fair weight of re-printed teas. Prices for most descriptions eased further this week as buyers followed quality. A small weight of better types offered however, sold at around last levels. There were fair withdrawals in the medium and plainer category.
