Offering:
(In pkgs)

Leaf:
37,430 (40,883)

Dust:
10,558 (11,903)

(Last year in brackets)

Quality: Improved.

Demand: Strong demand at firm to generally dearer rates.

Buyers: Blenders operated in strength. Loose Tea Traders lent fair support.

LEAF-CTC:

Brokens: Well made good liquoring types were a strong feature and sold at firm to generally dearer rates of Tk. 5/10 and occasionally a little more following quality. Others were firm to little dearer. Plainer types were easier and generally remained unsold.

Fannings: Best and the below best types were keenly supported by all sections of the market and sold at firm to generally dearer rates. Mediums sold at around last levels with the brighter types gaining a little. Plainer types were easier and suffered some withdrawals.

Bought-Leaf Teas: Limited demand. Price generally ranged between Tk. 120/138 with heavy withdrawals.

Dust: Clean good liquoring types sold well at generally firm to occasionally little dearer rates. Rest were firm to easier with quality. Plainer types were neglected.

Comment: A strong demand prevailed especially for the good liquoring invoices which appreciated in value following competition. Blenders were the major contenders and accounted for most of the teas sold. Loose Tea Traders lent fair support. Plain and the Bought Leaf teas were generally neglected and occasionally where sold, were discounted.
