Demand: Fair demand with Buyers following quality.

Buyers: Blenders were fairly active. Loose Tea Traders lent fair support.

LEAF-CTC:

Brokens: Well made bright liquoring types sold well at around last levels. Select few lines were a shade dearer following quality. Rests were easier and suffered considerable withdrawals.

Fannings: Clean good liquoring sorts sold readily at generally firm rates. Select few lines tended slightly dearer following quality. Others were irregularly easier and a fair weight remained unsold owing to lack of demand.

Bought-Leaf Teas: Limited demand at rates generally between Tk. 105/125. Select few better liquoring types fetched a little more. Withdrawals were heavily.
