**(Last year in brackets)**

**Quality:** Generally plain.

**Demand:** Less demand at easier rates.

**Buyers:** Packeteers lent fair support whilst Loose Tea Traders were selective.

**LEAF-CTC:**

**Brokens:** Good liquoring sorts met with a fair demand at easier rates of Tk. 5/7 with some remaining unsold. Others met with selective demand at similarly easier rates with fairly large withdrawals.

**Fannings:** Likewise, clean good liquoring types met with a fair demand at levels generally Tk. 5/7 below last. Rest met with less demand at easier rates and a large weight remained unsold.

**Bought-Leaf Teas:** Less demand at further easier rates. Prices generally ranged between Tk. 75/115. Withdrawals were heavy in this category.

**Dust:** Met with a fairly good demand. Select few best types were about firm whilst others were a little easier. There were some withdrawals in the plainer category.

**Comment:** Offering this week was the highest ever recorded in the Chattogram tea auction. Demand was rather weak and prices eased with heavy withdrawals. Medium and the plainer types were mostly neglected. Well made good liquoring types however, met with good but less demand than last.
