

SALE NO. 35 – HELD ON DECEMBER 26, 2023

Offering:
(In pkgs)

Leaf:
67,368 (61,570)
133 (Season: 2022)

Dust:
17,482 (12,713)

(Last year in brackets)

Quality: Generally Plain.

Demand: Fairly good demand for the better liquoring types.

Buyers: Blenders lent fairly good support. Loose Tea Traders were a little more active than last.

LEAF-CTC:

Brokens: A small weight of well made good liquoring types available sold well at about firm rates. A few lines of useful liquoring types offered met with strong competition and appreciated sharply in value. Medium and the plainer types were easier and suffered large withdrawals.

Fannings: A limited weight of the better liquoring types offered sold well at about steady rates. A few lines of useful liquoring types on offer were strongly completed for and gained substantially in value. Rest were little easier with many withdrawals.

Bought-Leaf Teas: Met with selective demand. Prices generally ranged between Tk. 60/100. Better types however sold between Tk. 110/120 per kg.

Dust: Met with only a fair demand at generally easier rates. Plain and the poorer types were neglected. CD's were easier.

Comment: Demand was generally confined to the better liquoring types on offer which mostly sold at around last levels. Rests were an easier market and suffered heavy withdrawals. Re-printed teas were neglected. A nominal weight of well made useful liquoring types offered were the brightest feature of the sale registering sharp rise in price following competition.
