Dust: Select few clean good liquoring varieties offered sold well at irregularly firm to generally little easier rates. Others met with selective demand at easier rates with large withdrawals. CD's met with only a fair demand.

Comment: This was the first sale of the calendar year 2024 and offering was the largest ever recorded in this auction centre. Blenders lent fairly good support to the better liquoring descriptions on offer whilst demand for others was rather selective. Loose Tea Traders lent only a fair support. Withdrawals continue to be heavy.
