

SALE NO. 42 - HELD ON FEBRUARY 12, 2024

Offering:
(In pkgs)

Leaf:
54,969 (46,811)

Dust:
17,387 (10,463)

(Last year in brackets)

Quality: Fair.

Demand: Fairly good demand.

Buyers: Blenders were fairly active. Loose Tea Traders lifted a fair weight. Pakistan lent a limited support.

LEAF-CTC:

Brokens: Better liquoring types available met with a fairly good demand but eased by around Tk. 5/= from last. Below best and the mediums met with a fair demand at levels generally little lower than last. Plain and the poorer types were discounted and suffered fairly large withdrawals.

Fannings: Clean bright liquoring types met with a good market at irregularly around last. Others were easier. Plainer types were easier with a fair weight remaining unsold.

Bought-Leaf Teas: Met with a fair demand. Better liquoring types sold between Tk. 105/125 whilst others fetched Tk. 75/95. There were however, fair withdrawals.

Dust: Met with a fairly good demand. Prices were generally easier by Tk. 5/8 from last and occasionally a little more following quality. There were some withdrawals. Cleaner CD's met with a good market at easier rates whilst the lesser types were neglected.

Comment: Major blenders were less forceful this week resulting in a little decline in price with more withdrawals. Loose Tea Traders operated like last. Pakistan operated at the lower end of the market.
