8 (Season: 2022)

Dust:
10,814 (Nil)
31 (Season: 2022)

(Last year in brackets)

Quality: Plain and end season type.

Demand: Selective demand at easier rates. There were substantial withdrawals.

Buyers: Blenders and the Loose Tea Traders operated selectively. Pakistan lent some support.

LEAF-CTC:

Brokens: Met with only a limited demand at easier rates of Tk. 10/15. A fairly large weight however, remained unsold owing to lack of interest.

Fannings: Likewise, demand was poor and prices were mostly easier. There were many withdrawals.

Bought-Leaf Teas: Met with selective interest at easier rates. There were fair withdrawals.

Dust: Met with selective demand at easier rates. There were fairly large withdrawals.

Comment: Demand was rather poor as Buyers were selective. Prices declined further and a large weight remained unsold owing to lack of interest. Dusts were also a weaker market. There was however, some interest for the cheaper varieties on offer.
