Offering:
(In pkgs)

Leaf:
11,816 (Nil)

Dust:
5,345 (Nil)

(Last year in brackets)

Quality: Plain and end season type.

Demand: Fairly good demand.

Buyers: Blenders as well as the Loose Tea Traders lent good support. Pakistan lifted a fair weight.

LEAF-CTC:

Brokens/Fannings: Well absorbed by all sections of the market at drops of Tk. 5/10 and occasionally more. Prices mostly ranged between Tk. 50/90.

Bought-Leaf Teas: Met with a fair demand at around last levels.

Q U O T A T I O N S

No Quotable Types Available.

Dust: Poor demand at easier rates with heavy withdrawals.

Comment: This was the penultimate sale of the season and offering was small. However, most leaf grades sold readily whilst dust catalogue witnessed a poor demand resulting in heavy withdrawals.
