

SALE NO. 50 (FINAL) - HELD ON APRIL 08, 2024

Offering:
(In pkgs)

Leaf:
8,757 (Nil)

Dust:
3,765 (Nil)

(Last year in brackets)

Quality: Plain.

Demand: Fairly good demand at easier rates.

Buyers: Blenders and the Loose Tea Traders lent fair good support. Pakistan was fairly active.

LEAF-CTC:

Brokens/Fannings: Well absorbed by all sections of the market at levels generally ranging between Tk. 40/90 per kg following quality. There were however, some withdrawals.

Bought-Leaf Teas: Fair demand and sold at around last rates.

Q U O T A T I O N S

No Quotable Types Available.

Dust: Selective demand at discounted rates with heavy withdrawals.

Comment: This was the concluding sale of the season marked with a small offering comprising mostly plain and re-printed teas from easier sales. Leaf catalogue witnessed a fairly good demand whilst Dusts continued to meet with selective interest.

We wish all our readers EID MUBARAK.
