**Quality:** Showed some seasonal decline.

**Demand:** Fair demand at easier rates with many withdrawals.

**Buyers:** Blenders were the major out-lets but apparently lacked strength. Loose Tea Traders were selective.

**LEAF-CTC:**

**Brokens:** Well made good liquoring types met with a fairly good demand and sold at rates generally Tk. 5/7 lower than last. Bolder types were mostly neglected. Mediums met with a fair demand at easier rates and a fair weight remained unsold. Plainer types were similarly easier and suffered fair withdrawals.

**Fannings:** A small weight of the clean good liquoring types sold well but shed in value. Rest were easier by Tk. 5/7 and suffered fair withdrawals.

**Bought-Leaf Teas:** Selective demand. There were large withdrawals.

**Dust:** Fair demand at easier rates. Prices were generally easier by Tk. 5/10 and there were fair withdrawals.

**Comment:** Blenders were virtually the lone contenders and operated on reduced strength holding lower limits resulting is an over-all weaker market. Most descriptions sold well below last week levels and a larger weight were withdrawn owing to lack of interest. Dusts were also an easier market.
