Dust:
10,212 (4,527)
307 (Season: 2025)

(Last year in brackets)

Quality: Similar to last.

Demand: Good general demand with prices following quality.

Buyers: Blenders operated in strength. Loose Tea Traders were active.

LEAF-CTC:

Brokens: Clean well made good liquoring types were a fairly strong feature and occasionally gained in value. Others sold well at firm to little easier rates following quality.

Fannings: Best and the below best types were much sought after by all sections of the market and sold at firm to little dearer rates. Rest were readily absorbed at firm to little easier rates following quality.

Bought-Leaf Teas: Met with a good demand at rates generally around Tk. 5/= below last.

Dust: Good demand. Buyers however, operated on reduced strength resulting in easier rates with a few withdrawals.

Comment: A little larger offering this week met with a good general demand mainly from the Blenders followed by the Loose Tea Traders and sold readily at firm to little easier rates following quality. Select few popular well made good liquoring types however, occasionally gained a little following competition. Dusts were an easier feature. B/L Teas eased in value.
